## ABOUT ME

I am a curious creator, driven by a passion for programming and a love for exploring new ideas. Embanking growth and connections, I strive to make a meaningful impact through my work. I am excited to embrace new challenges and opportunities that will further my personal and professional growth.

## EXPERIENCE

- **2022 – Present**

### Faizaan-e-Zamzam Raza Karachi Teacher

- Experienced Quran teacher with [2 years] of teaching proficiency, specializing in Tajwid and memorization techniques. Dedicated to fostering a deep understanding of Islamic teachings while creating a supportive and respectful learning environment.

- **2020 – Present**

### Crafting (as a hobby)

- As a dedicated crafter, I enjoy exploring various techniques such as knitting, sewing, and upcycling, allowing me to express my creativity and attention to detail. This hobby has honed my problem-solving skills and ability to work with diverse materials.
